2-MIN PROMO VIDEO

The MATC Conference is a new live-streamed, vision mixed event, that aims to combat the issues surrounding men, anxiety and the conversation presented by Ryan Allen.

We are looking for a group of men 23- 60+ to record a 2-min video, using their mobile phones, about the importance of opening up the conversation around anxiety and that, it makes you stronger. The MATC team would like you to end your last words with *Your Stronger Open. That's the MATC Way.*

The videos will be edited together to be part of the promo video for the MATC Conference Live Stream ad with Vincent Andriano, a TV and Film Actor and an MATC Conference Brand Ambassador.

To ensure the best quality recordings, we would advise you to choose in-camera settings;
1080p HD at 60 fps or 4K at 30 fps.
